FOOT RACING. Field Meet.

There certainly used to be some very good foot racing done right here in Brampton. I can remember West McKenna and the Rev. Mr. Morrow racing. There used to be quite a bunch of people come from Toronto. Fred Miller used to run also. West McKenna is still living in Toronto and he should be able to tell you something about this. As far as I know he is selling some kind of mining shares there.

Wesley McKenna

Belonged to Briton Lodge, which used to meet at old L.O.L.#5 hall on Armstrong farm. He attended Grand Lodge meetings several times in Hamilton, Port Hope, Toronto. They seem to have been rather gay.

When the Britons Lodge to which he belonged ~~to~~ first walked, the ~~they~~ had no place to walk to, so they just walked across the fields to keep up the old custom.

He evidently belonged also to L.O.L.#1027, for he mentions being at picnic for members.
